OLLA PODRIDA

A dash, a dip, a piece, and a pinch,
A forkful, a spoonful, and more,
A taste so hot there in the pot
Of this thing and everything, and that (galore)

A boy, a girl, a book, and a class,
A ballgame, a school day, and such
Make up the stuff that's in our pot
Of Spanish Stew of things to do and us.

SOUTH BAY SCHOOL BOARD

Dr. W. EARL BROWN
Superintendent

The School Board is the group which finances and directs various construction projects and improvements in the South Bay Union High School District. Three such projects which were completed for use this year at Mira Costa were the addition of a wing on the Attendance Office, and the remodeling of the print shop, and Student Body Office. Working together, the Board handles problems concerning school policies, finances, construc-

tion, and other important issues that arise. It also aids in the selection of the faculty for each school year.

On the first and third Wednesday of every month we found the Board in session, with Dr. W. Earl Brown, Superintendent, assisting. Members of the Board include Mr. Robert Trimble, president, Mrs. Dorothy Battersby, clerk, Mr. Clifford Higgins, Mr. Adrian Bibee, and Dr. John Cooper.

MIRA COSTA ADMINISTRATION

During the course of a busy day Mr. Waller can always be seen about his various tasks. He plans the organization of graduation and assisting student government, besides this he tries to find time to help students.

Mrs. Waller's assistants are Mrs. McVey, Miss Thomas, and Mr. Fisher. Each has their own particular responsibilities. Mrs. McVey is Girls' Vice Principal and is in

charge of the clubs and all girls' activities, while Mr. Fisher is Boys' Vice Principal. These are only a few of their many duties. Miss Thomas is Vice Principal in charge of the instruction.

Under Miss Thomas are our counselors, Miss Browne, Mr. McIntyre, Mr. Mills, and Miss Risse. Those who have graduated and are still in Mira Costa, know how much each of these counselors mean to a student.

HOOFPRINTS

Viewing the new look in Senior pictures is Gretchen Andersen, Assistant Editor; Miss Pendergast, Advisor; Anne Carr, Assistant Editor; and Kathi Hickerson, Editor.

Straw Boss, Earl Alvey directs Toni Segerblom and Wendy Bishonden in annual production.

Sue Meistrell submits cartoons as Dorothy Kolar and Pam Craig look on.

STAFF

First period every day sees wheels begin to grind, motors turn and once again the machinery lurches forward in room 51. Under the direction of Miss Pendergast, the **Hoofprints** staff works together to present the school with a pictorial and written account of the past year's activities.

Making this '59 annual one to remember was the padded cover which was one of the few to be found in the history of the **Hoofprints**. Another innovation was the colored picture adding much to the title page.

Although, the staff usually could be found wading through layouts or pecking at typewriters, they did take time out to have fun. One of the first breaks came when they went to watch the cover production at the S. K. Smith cover company.

Mary Canada and Conlee Parks seem to have found some annual copy amusing.

All smiles over this year's Hoofprints are Melinda Unkles, Jennifer Rinker, Janis VanLohn, and Ann Murdoch.

LA VISTA

All of the confusion and rush reached a climax in room 9 on Friday during 6th period, when the La Vista was distributed.

The La Vista, our school paper, is published by the students of Mira Costa High School. It is a weekly publication put out by the journalism and print classes, under the direction of Miss Sue Stansbury and Mr. Warren Vanderleest.

The many activities that go on here at Mira Costa keep the editors and reporters busy trying to get everything in before the deadline. The paper keeps everyone informed of the present, past and future events.

This year the staff consisted of the co-editors, Kelly Winkler and George Hayward, page two editors Wendy Roberts and Doug Smith, page three editors Meri Mann and Nadine Neugenbauer, and page four editor, Don Larson. Football, basketball, baseball, and track events were covered by Bonnie Jordan. The photographers this past year were Gary North and Steve Emmons, under the direction of Mr. Bleidistel.

STUDENT OF THE YEAR

L. TO R.: Richy Watson, Vice-President; Sue Meistrall, Secretary; Lynda Moore, Treasurer; Nancy Jones, Historian; Gene King, President.

SENIOR HISTORY

As Freshmen, they entered school in awe of the Seniors and the new experiences ahead of them.

It wasn't long before they became accustomed to their new life and settled down to the required activities, which made them part of Mira Costa.

But as a new class, they reflected their fast moving time. With satellite spirit the members of the class of 1959 soared into position of responsibilities.

They joined clubs, became officers and took part in activities. They accepted the responsibilities of being upperclassmen. The hectic preparations of their class play passed before they realized it. The Junior-Senior prom swirled by. And before they knew it they received class rings.

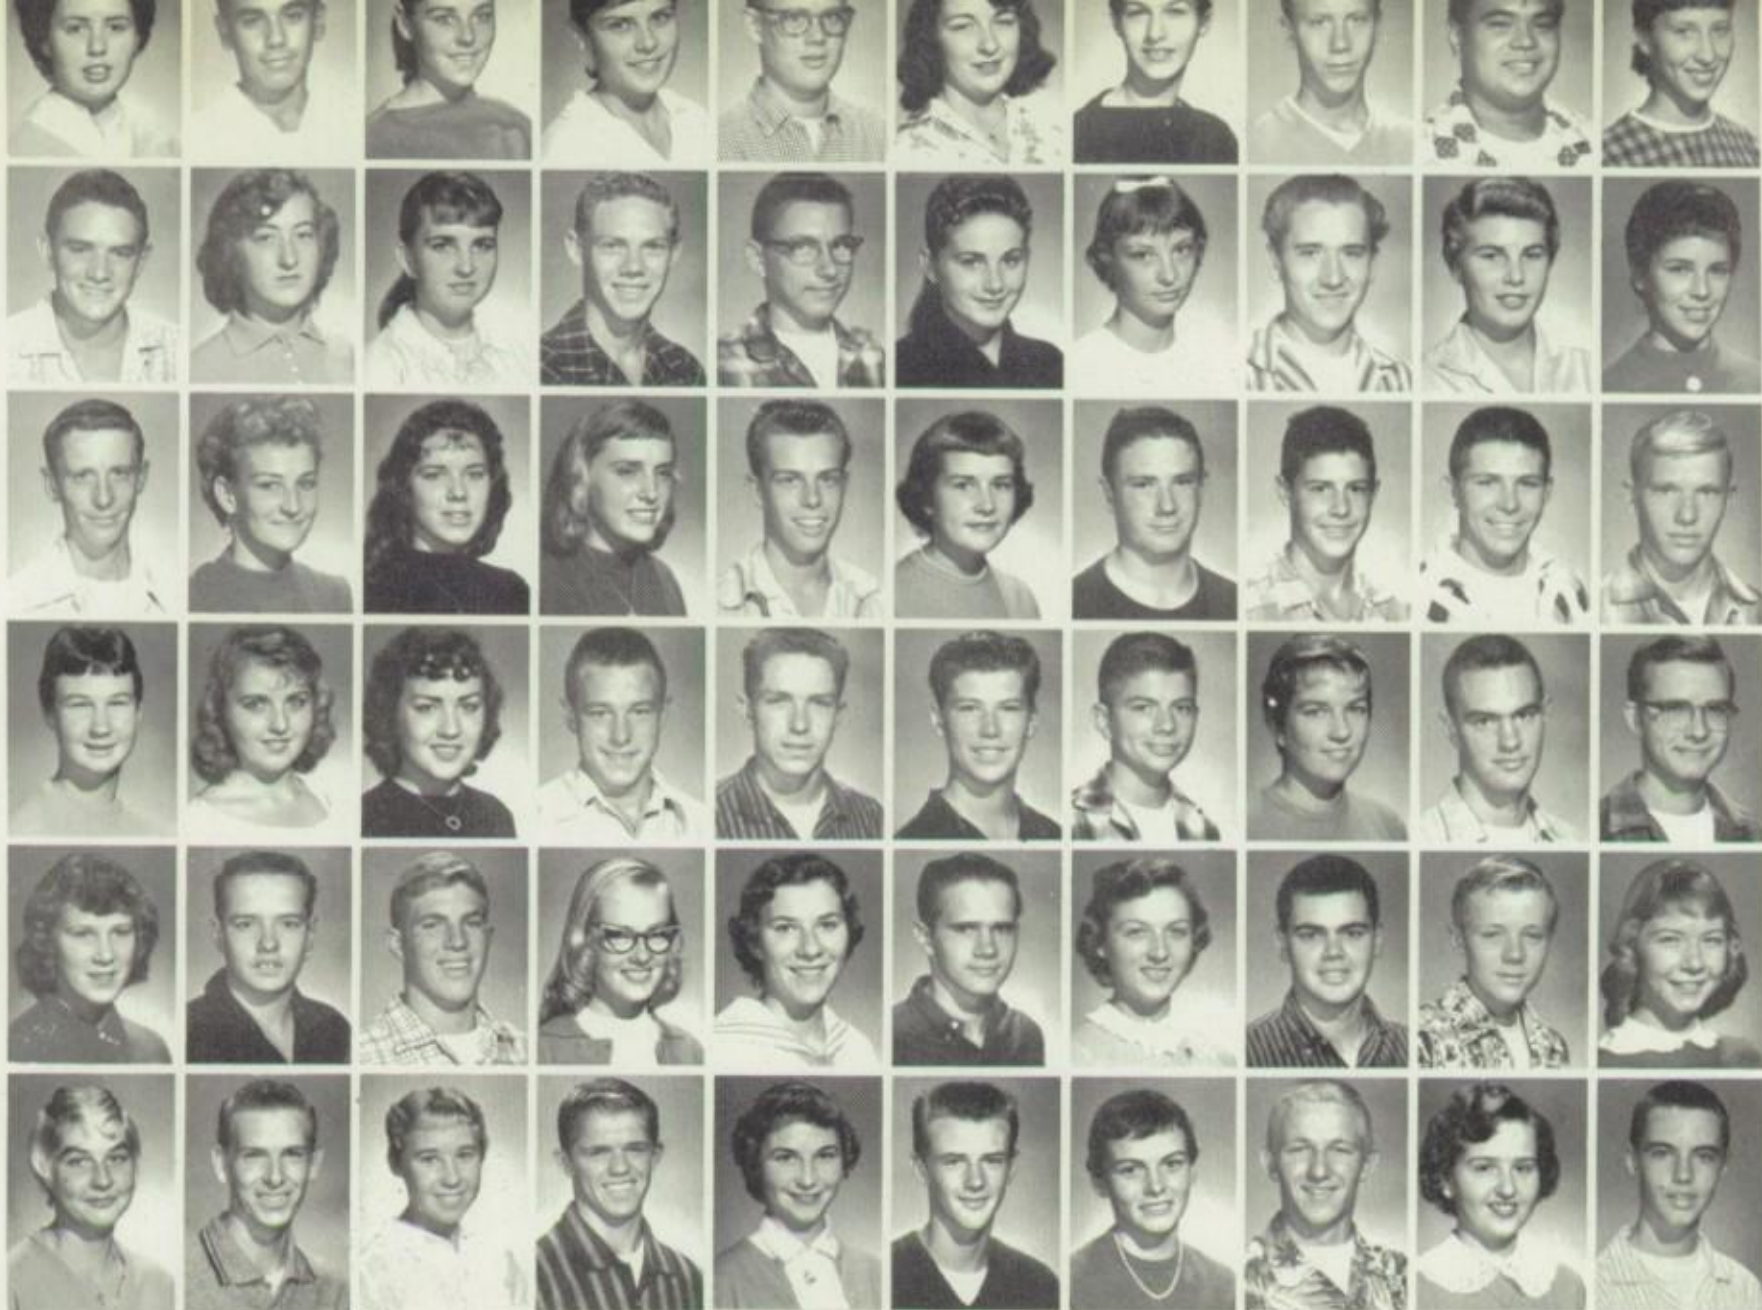

They became officially seniors. They were excused first in assemblies and could use the Senior patio. The administration was dubious but they held a Senior Ditch Day. And Senior Bermuda Day was hilarious.

Despite the fun, they grew up. They also helped make possible first class lighting for the football stadium, the new parking lot and the flag raising ceremony.

After being thrilled witnesses of many graduations, it suddenly came time for them to accept their diplomas. And they were sad. They had worked hard toward their goals. Their experiences and education had been rewarding. Their school and their efforts had prepared them for whatever future they might choose.

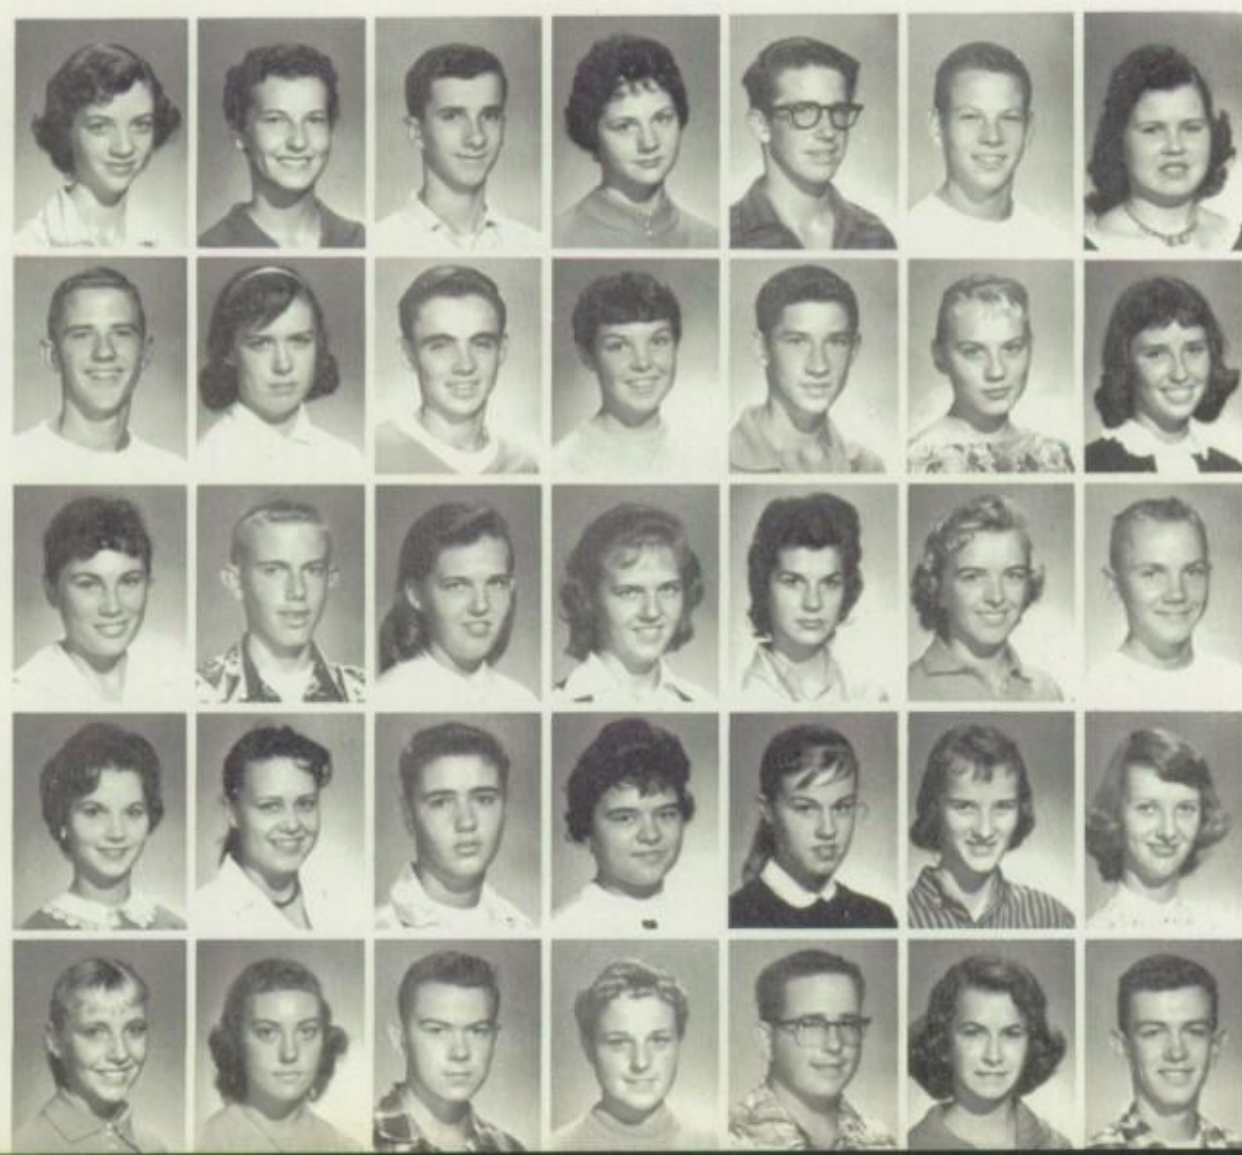

Mr. DeSantis, class advisor, instructs a class in Senior Problems.

JUNIOR

JUNIOR CLASS OFFICERS,
L. to R., President, Jerry
Stidham; Treasurer, Toni
Hinds; Vice-President, Vince
Thomas; Secretary, Linda
Reardon.

Their Junior year is finally coming to a close. They look back on this year with much pride and satisfaction, after working so hard to make it prosperous and enjoyable for everyone.

Christmas brought gifts for everyone but especially for the class of 1960, for they received their class rings. Their first project of the year, the Junior Play was a hit, only after they all pitched in and worked together to make it so.

Receiving sufficient funds from the play they were able to sponsor the Junior-Senior Prom, honoring their soon departing friends. The Prom was a success and will be remembered by all who attended.

Their class officers, Jerry Stidham — President, Vince Thomas — Vice-President, Toni Hinds — Secretary, and Linda Reardon — Treasurer, worked long and hard with other student officials to make their year a more enjoyable one.

Now, at long last, they are standing on the threshold of their Senior Year, looking forward to their last year at Mira Costa.

Lorraine Morgan displays her new class ring to juniors Gretchen Andersen, and Anne Carr.

SOPHOMORE HISTORY

For the sophomores entering school this year, all the tension and uncertainty was gone. They had participated in all of Mira Costa's activities and traditions, and were looking forward to a second year full of fun and hard work.

A required subject that every sophomore anticipated was Driver's Training, which preceded three quarters of World History. In another required subject, English, they read the play "Julius Caesar," and the novel "Tale of Two Cities."

The most exciting event of the year was selecting the design for their Senior rings.

Representing the Sophomore class of 1961 on the football field was Chas Tomblin, playing Varsity.

Guiding them successfully through the 58-59 school year were Joe Reynolds, President; Steve Belasco, Vice-President; Carol Widner as Secretary; and Jean Kutch as Treasurer.

Now, as the year comes to a close, they will all have pleasant memories of their Sophomore year at Mira Costa, and will look forward to their Junior year, when they will be upperclassmen.

FRESHMAN OFFICERS — L. TO R.: Tim Brewer, Vice President; John Blasingame, President; Kathy Waters, Secretary; and Susan Dresser, Treasurer.

FRESHMAN CLASS

After riding high in elementary school, this year's Freshmen at Mira Costa suddenly found themselves barely hanging on to the tail of Melvin Mustang. What a change! But they have set themselves to reach the stirrups and climb astride. By participating in sports, clubs, and school activities the class of '62 rode happily into the realm of high school life.

For some Freshmen the introduction to Mira Costa was very embarrassing. At the Girls' League Welcoming Assembly fourteen girls were called upon to display their various talents. Amidst giggling and blushing, these girls proved to be very skillful at Yell-leading, singing, and working the Hula Hoop.

The Freshman Magazine Drive was a huge success, bringing in \$3,200. Barbara Leonard won a typewriter for being the top salesman.

With the help of Miss McVey, class sponsor, Mr. Sanford, and Mrs. Fuller, the Freshmen readily understood Mira Costa's constitution. In November class officers were elected. The officers were: President, John Blasingame; Vice-President, Tim Brewer; Secretary, Kathy Waters; and Treasurer, Susan Dresser.

This enthusiastic Freshman class should be well qualified to take over the reins of future Mustang activities.

With the help of Miss Cooke, Freshman Lee Burroughs, learns how to lay out a pattern.

Mrs. Cowan instructs a freshman girl on library procedures.

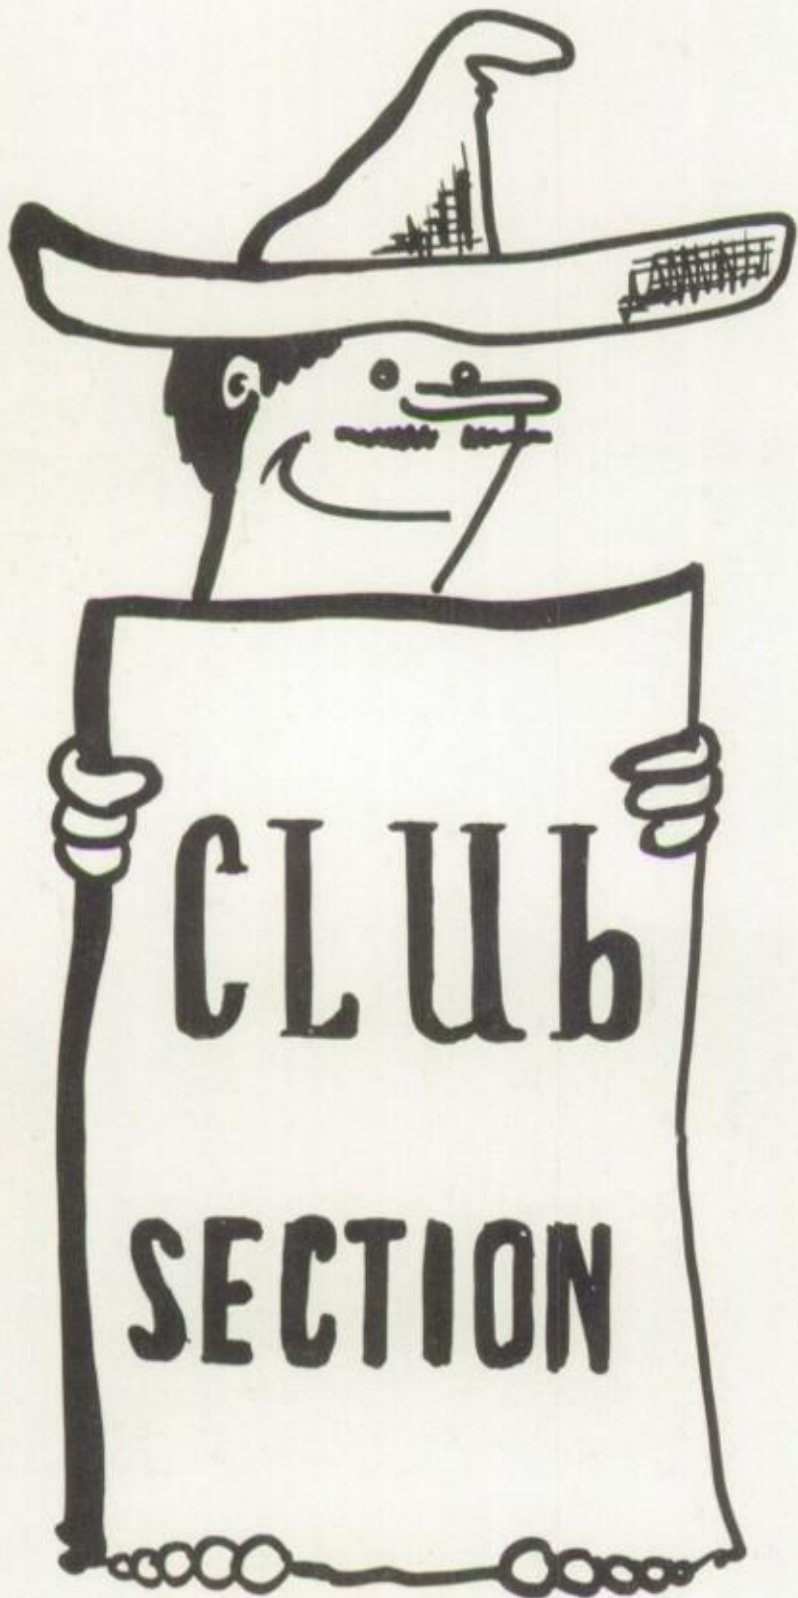

These students all agree, the problems of math are problems!

MC's industrious freshmen are at it again in Mr. Honaker's shop class.

KEY CLUB

Service is the key to membership in this outstanding organization. The members are selected by recommendations and interviews, and must strive to promote good citizenship both on and off campus. Under the supervision of Mr. Stevens these boys have done a tremendous job in making Mira Costa's campus a better one.

The Faculty vs. Key Club Basketball Game is sponsored annually by the Key Club, and is an event enjoyed by all. Members of the organization can also be found selling popcorn and cokes at all home varsity basketball games. During school one finds them keeping order during snack, lunch, and assemblies.

Steve Jesse served as Key Club President this past year, along with the other officers Noel Smith, Larry Altchuler, and Dave Stout.

DOÑAS

The Doñas, made up of girls recommended by their teachers for scholastic ability and well rounded personalities, is an organization to promote school spirit, encourage safety and raise clean-up standards.

This year the group has had after game dances, bake sales, and an initiation tea.

There were five lucky senior girls new to the club this year, with four new girls each from the Sophomore and Junior classes. The senior girls received gold pins which will be theirs to keep. The other girls received silver pins which will be exchanged for gold pins in their senior year.

These new girls, along with the regular members, have patrol duties in order to maintain high school standards. The Doñas have worked closely with the Girls' Senior Conference in regulating girls' activities.

FIRST SEMESTER C. S. F.

A group of scholastically minded students from all grades combined to make up C.S.F. this year.

Nearly all of the club's time was devoted to the plans and arrangements for the Spring Conference, for which Mira Costa was the host school.

The problems which arose were very ably ironed out under the supervision of Gary North, Chapter President, who was also District 7 President. Aiding him was

Bob Shulman, Vice-President, who took over Gary's job during the second semester.

A day at the beach and the movie "Bell, Book, and Candle" were among the privileges enjoyed by the members on their half day holidays.

Also a dinner was given to honor the Sealbearers for their outstanding academic records.

BOYS' AND GIRLS' SENIOR CONFERENCE

Each semester five girls and five boys have the responsibility of promoting a friendlier atmosphere on campus through good citizenship. Senior Conference enforces our Student Government, helps students govern themselves, teaches students responsibility, and strengthens and improves relations between students and faculty.

Under the supervision of Mrs. Catherine McVey, Girls' Vice Principal and Mr. Carl Fisher, Boys' Vice Principal, new students become better acquainted with the campus and Student Body through members of the Conference.

Their goal is to set a high standard of conduct among the students of Mi Co Hi and any individual problem concerning conduct on campus or in classrooms is seriously reviewed.

EXCHANGE

This year Mira Costa had the pleasure of hosting two foreign exchange students sponsored by the American Field Service. Jacques Rohner arrived from Switzerland while Maria Dos Santos came from Portugal to spend a year on the Mustang campus.

Another honor Mira Costa received was the privilege of sending two of our students to Europe. During the summer Fred Oder represented the U.S. in France, touring the country side and living with a French family. Our other representative, Patty Innerbichler, lived with an Italian family while learning their Italian customs and ways of life.

Burleigh Brewer, Wendall Hollis, and Linda Reardon are the finalists for exchange student this year. One of the three will represent the U.S. this summer under the A.F.S. program.

Foreign exchange students are chosen mainly by their scholastic ability and personality.

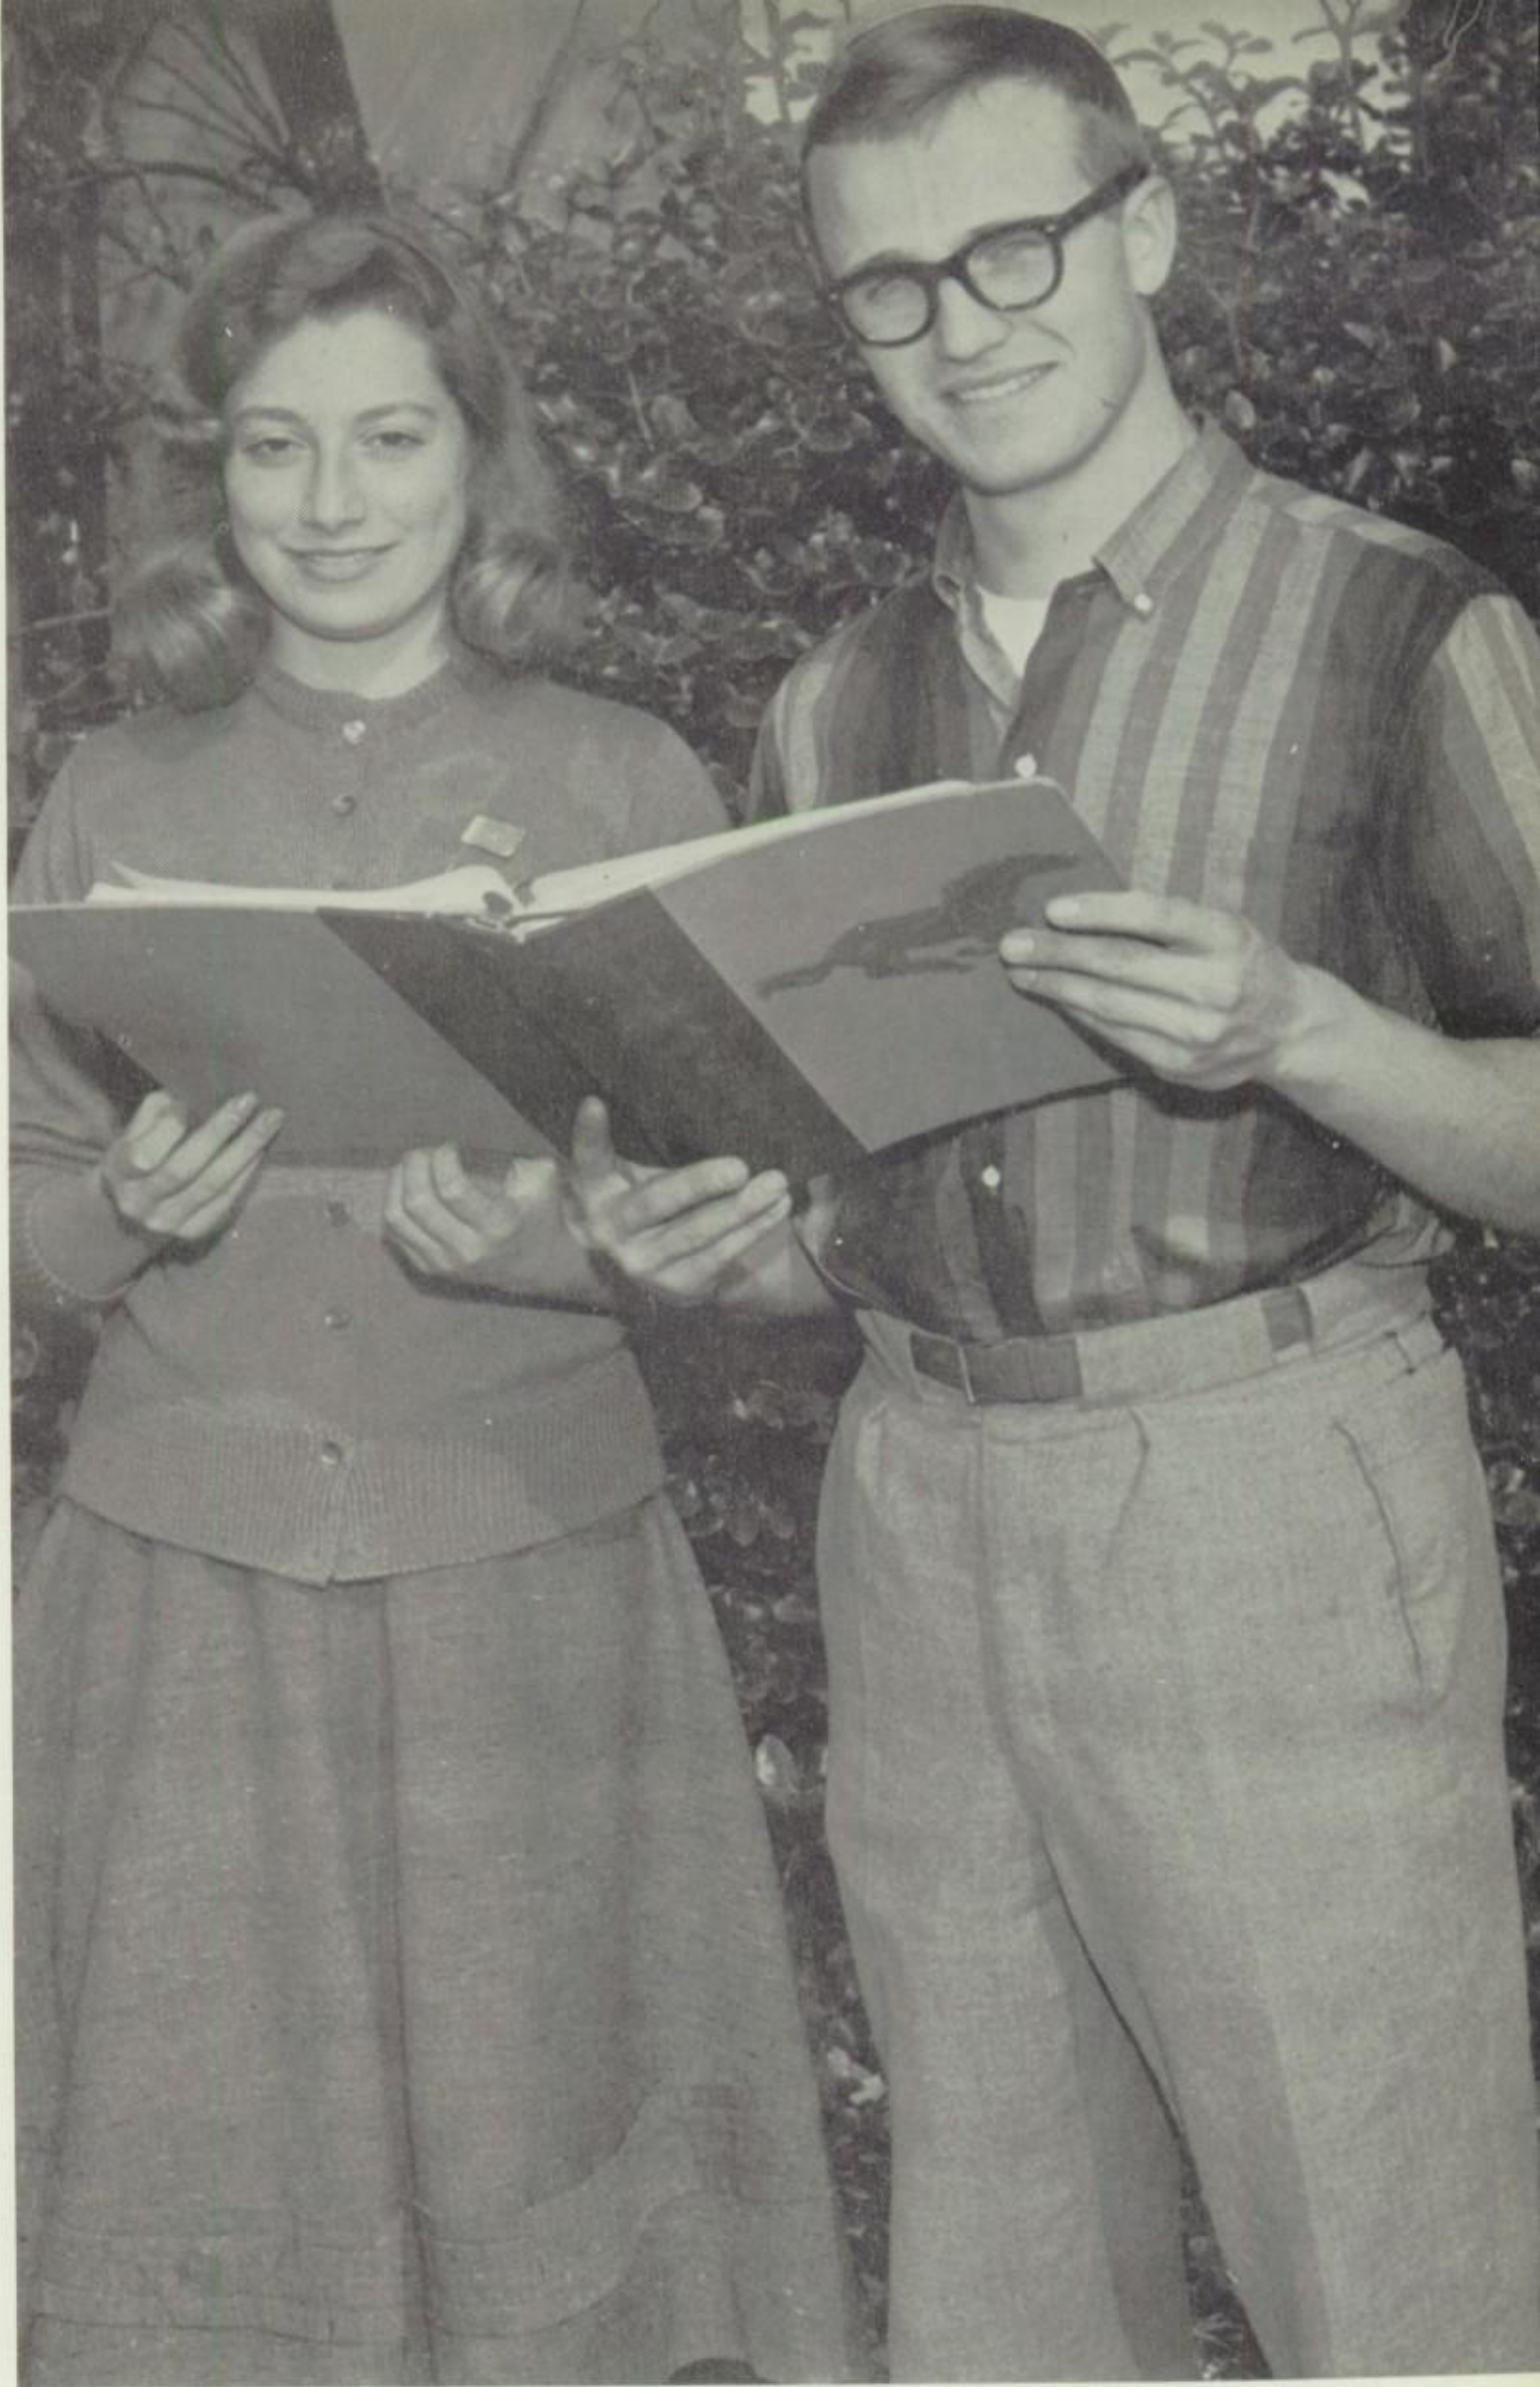

Discussing their experiences this past summer are Fred Oder and Patty Innerbichler.

Jacques Rohner, Maria Dos Santos, Fred Oder, and Patty Innerbichler were MiCoHi exchange students.

PARENT-TEACHERS

The P.T.A. held its annual membership drive this year, which was a big success. A goal was set and with the aid of the students it was achieved. In order to get one hundred percent each student had to bring in at least one new membership. The students of Mira Costa worked hard and were rewarded with a half day holiday. Besides this reward, there were three other homeroom awards: football passes to any Micohi home game for all members of the class that turned in the most memberships on the first day of the drive, theater passes to members of the homeroom that was the first in reaching one hundred percent membership, and theater passes to the homeroom with the highest membership percentage at the end of the drive.

The atmosphere of New Orleans came to Mira Costa, March 6, when the P.T.A. held its first "Mardi Gras." As this was the P.T.A.'s sole fund-raising project for the year it was given the student body's wholehearted support. Booths featuring games, food, prizes, and carnival rides were set up in the Micohi "quad" and a spaghetti dinner was served in the cafeteria.

The president of the Parent Teachers Association this year was Mrs. T. H. McMahon. Mrs. Paul Conrad served as head of the membership drive.

The opening game found the Mustangs and the Beverly Hills Normans on our home field. In the first half the ball traded sides often, with neither team scoring. Then in the third quarter a 17-yard pass gave the Normans a touch-down. The Mustangs ended the game with a 13 play-70 yard effort to tie it up (7-7).

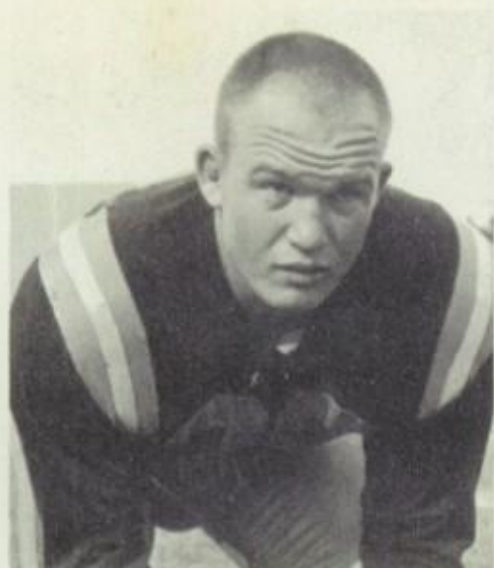

Leading the way were the returning first string Varsity men, Stout, Kennon, Conrad, Crowder, and Cook. Following close were the other returning Varsity Lettermen, Farner, Moeller, Jesse, MacKay, and Gonzales. Together with Coach Cogswell, they gave experience and advice to the new Mustangs. This gave Micohi a well coordinated team.

Mira Costa lost to Redondo, Torrance, and Inglewood, but the valiant Mustangs fought back in their second to last league game against the Santa Monica team.

The Santa Monica game sparked the fighting spirit in the Micohi team. It was played in the Mustang Bowl and Santa Monica was favored to win by 20 points. At the end of a well and hard played game, the score was 7-7 — an upset for Santa Monica.

As a reward for their efforts, Dave Stout made the first string All Bay League Team, while Mike Conrad, Nairne Farnner, and Mike Crowder made the second team. Steve Jesse received an Honorable Mention. During the season the La Vista picked Mike Conrad, Steve Jesse, Dave Stout, Steve McMahon, Mike Sandling, and Darryl Stucker as athletes of the week.

At the end of the season, Mira Costa had a 1-6-2 record.

CROSS COUNTRY TEAMS

This year, under the direction of Coach Miller, Mira Costa turned out more members for the cross-country team than ever before. There were forty-eight freshmen, thirty-three sophomores, thirteen juniors, and seventeen seniors.

In their first meets Micohi came out on top of La Habra and El Rancho, and in the next meet edged Santa Monica 27-28.

Leading up to the Mt. Sac meet, the M.C. varsity won a triangular meet with Leuzinger and Inglewood; M.C. — 15, Leuzinger — 54, and Inglewood — 72.

For the fifth straight year Micohi's cindermen won the annual Mt. San Antonio College meet. Paced by Ed Drotning, who covered the 1.8 mile course in 9:14 minutes, the Mustangs won with 35 points followed by Bellflower with 67 points.

Keeping its undefeated cross-country record intact, the green and gold squad won over Torrance on the home field, with Ed Drotning setting the pace at 8:07, 22 seconds under the old record. Graham Mortimore finished in 8:16, well under the old record also.

In the first annual South Bay Championships held at Aviation,

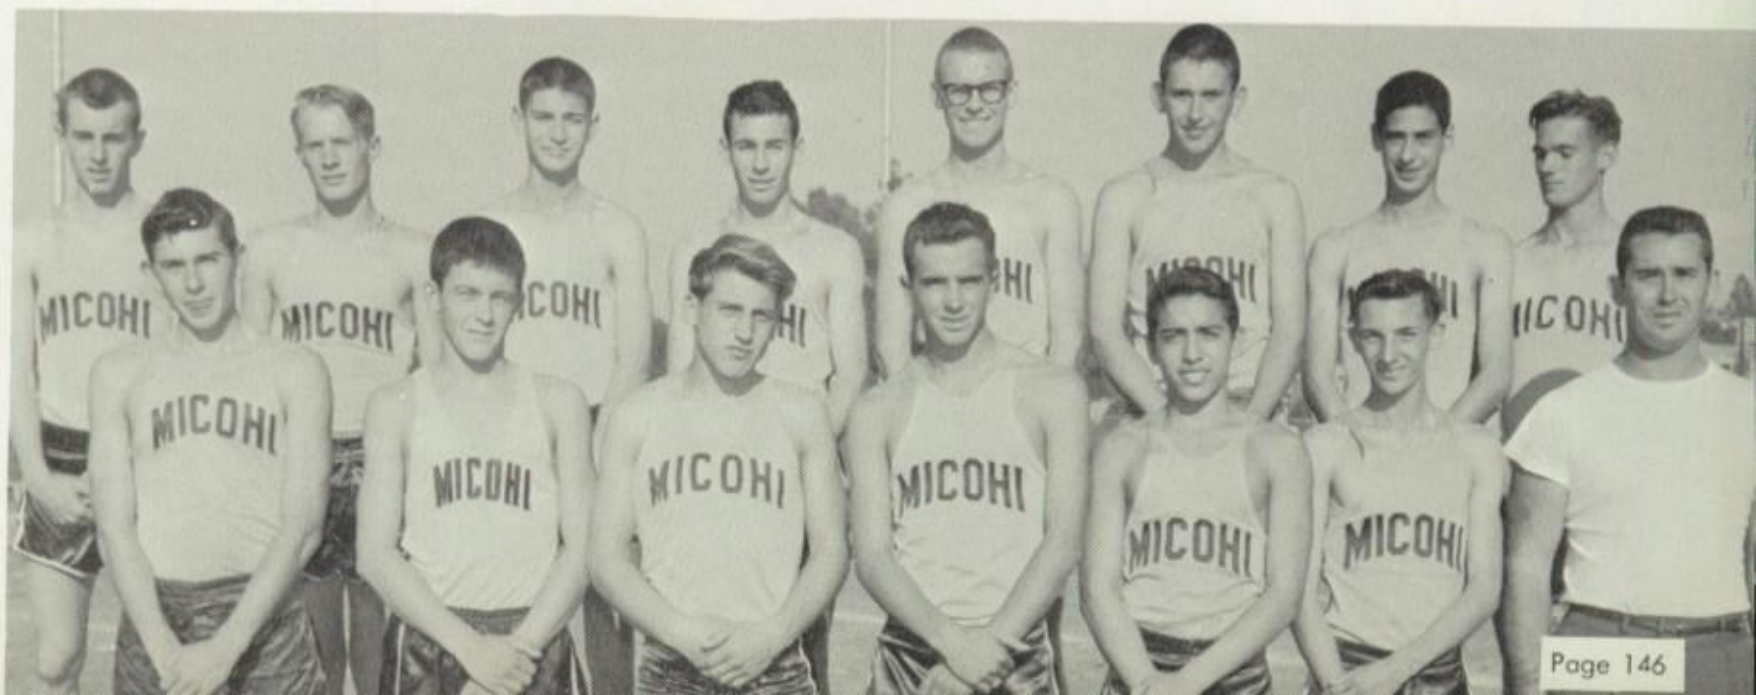

Micohi won the meet with Aviation second and Redondo third.

At the end of an undefeated season, Mira Costa ran against the five other Bay League teams for the championship. Although Ed Drotning placed first, Torrance won and Mira Costa took second place. This still qualified us for the C.I.F. sectional meet; there Micohi placed second and went on to place sixth in the C.I.F. Championships. Here Ed Drotning placed third in all C.I.F., the highest yet of any Micohi cinderman. The varsity team took third in National competition conducted by the Trade and Field News. Even so, our cindermen weren't through yet as Ed Drotning and Graham Mortimore were awarded fourth and seventh places respectively in the nation's top cross-country men.

The J.V. team took the Bay League Championship and went on to finish an undefeated season by taking the C.I.F. championship. Five out of the eleven places went to Mira Costa.

The Frosh-Soph Team went through an undefeated season climaxed by winning the Bay League Championship.

VARSITY BASKETBALL

Starting the 1959 season with a win was the Mira Costa versus Hawthorne game, after 4 quarters of play the score was 57-52.

The Micohi basketballers played the first of two close games against Long Beach Jordan, and won it by the score of two points more than L. B. Jordan's (51-49). The team then met L. B. Jordan during the Pacific Shores Tourney, in which Micohi again won by two points and, doing this, they won the championship of the Tourney.

Next on the list of games was the Pacific Shores Tourney. For the first time in the history of Mira Costa the Micohi netters brought home the championship. Joe Moeller, Noel Smith, and Harry Dinnel were chosen for the all tourney team. Micohi was the only school represented by three members on the team.

The seventh consecutive win was against Bellflower on their court, with Joe Moeller and Noel Smith leading the way. The team racked up 66 points to Bellflower's 55 points. The first and second quarters made Bellflower look like they were going to win, but a 27 to 7 third quarter put the scoreboard on Micohi's side again.

The San Diego Tourney was next, with the first game against Escondido and winning it 67 to 47 the Mustangs moved up against San Diego Hoover. In this game the Micohi roundballers lost their first game of the season 64 to 80, but coming back the Mustangs won over Chula Vista in their third game of the Tourney.

Moving on, the Mighty Mustangs met up against Excelsior and played on the Mustangs home Court. Harry Dinnel seemed to hit high gear during the second quarter and with Noel Smith and the rest of the team helping, they won another victory 74 to 54.

In the annual Beverly Hills Tourney Mira Costa's first game was against Fillmore. It was won by 58 to 31. In this game a new free throw record was set of 10 out of 10. The second game of the tourney was against Anaheim, who along with Mira Costa and Ventura, was picked to win the Tourney. The Mustangs won 60 to 40. Against Morningside, a dark horse in the Tourney, Mira Costa had to take second best. In the first quarter Micohi made 11 points; 8 of these were made from the free throw line. In the final tally the scores were Micohi 49 and Morningside 62. Coming back, the Mustangs took a win over Beverly Hills High School by 43 to 40 and took third spot in the Tourney.

The first of the 1959 Bay League games was against Santa Monica. Played at Santa Monica, with three players injured but still playing their best, the Mustangs took another victory 60 to 40.

Next coming was the Redondo-Mira Costa game, played at Mira Costa. The game was a highly spirited one, as usual, and the final tally after all had settled down was Micohi 60 Redondo 49. The Leuzinger game was the Mustangs fourth straight league victory by

the score of 72 to 48. Played on the Olympians home court, Noel Smith, with a score of 36 points, tied Phil Herman of Redondo for the most points made during one game. They both fall short of Mike McConnel's last year's record of 38 points made during one game.

An 86 to 57 win over Torrance gave the Micohi basketballers their fifth straight league victory. Harry Dinnel, still sporting his battle ribbon of the Beverly Hills Tourney, went on to break existing records. Take the points made off those rebounds and add them to the score the rest of the team made and you have a new high game of 86, nine points over the 77 record against St. Augustine in 1956.

In the second Redondo game Micohi received its first and only Bay League defeat of the year. The Seahwaks hottest quarter was the first when they tallied 21 points. With only minutes left to play the score was 42 to 40. Char Clay led the attempt to pull ahead, but they were stopped when the Seahawks put forth all their effort to curb the Mustangs drive.

Recovering from the Redondo game the Micohi roundballers won over Inglewood 45 to 34, with Noel Smith coming out with the high game score of 18.

In the second round against Leuzinger, Micohi's basketball squad broke their newly set high game record of 86 and replaced it with a new high of 91.

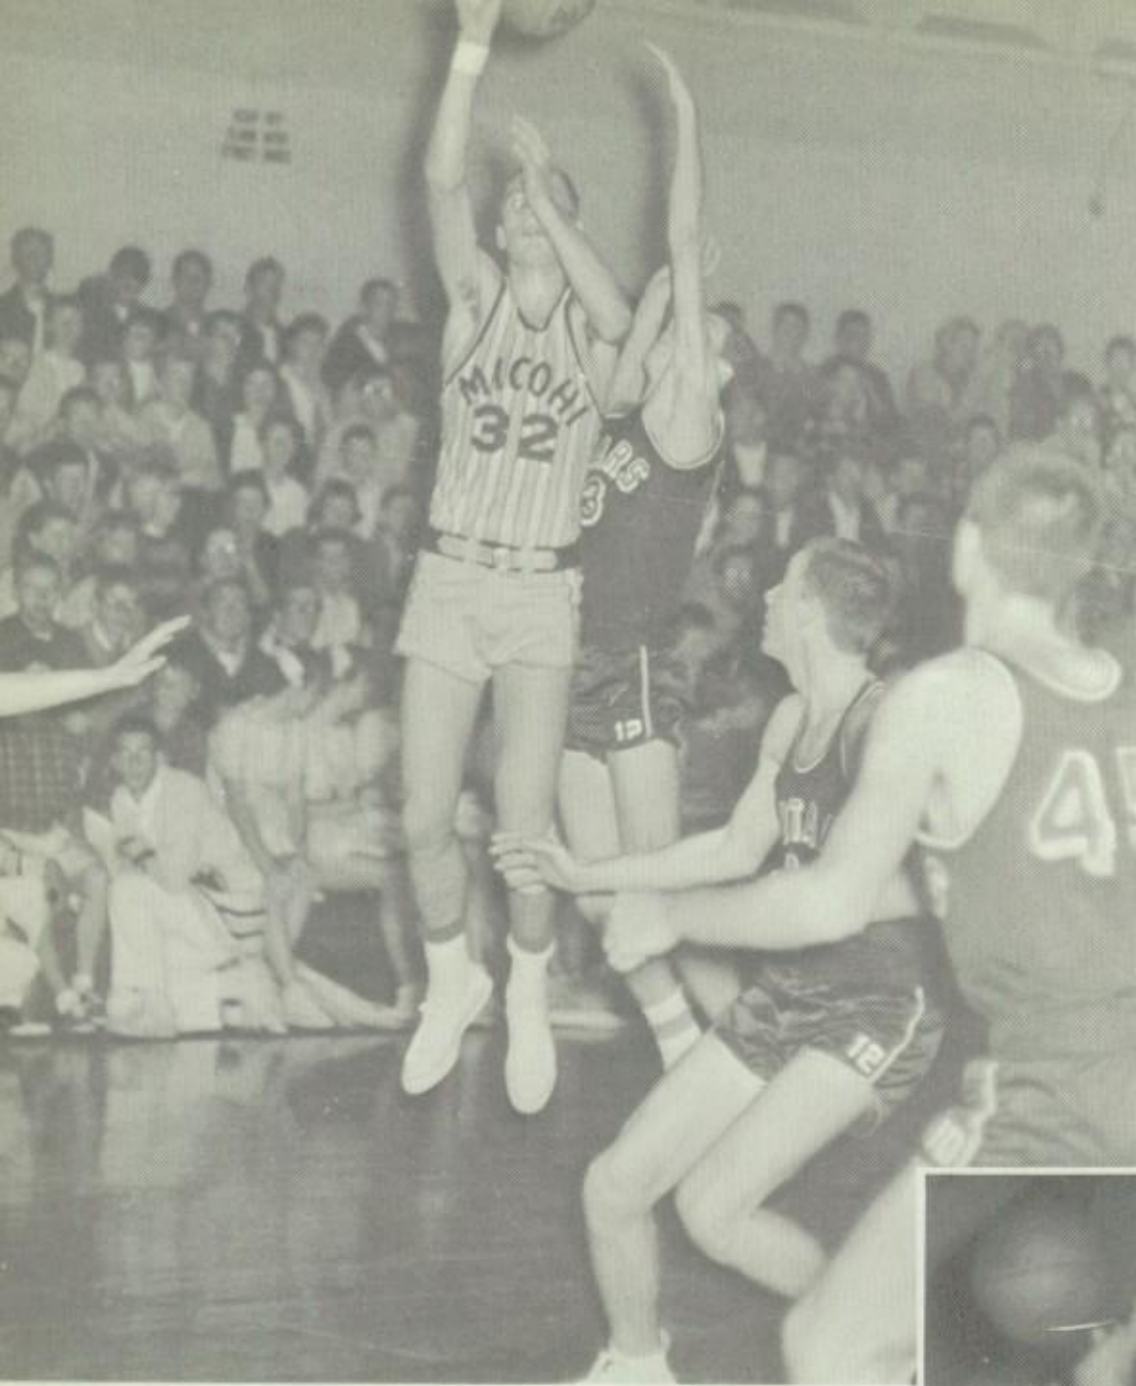

In their last league game against Torrance, the Micohi roundballers started their drive in the second quarter with 28 points and kept it going with 22 points in the third and 25 in the fourth. The end score was 86 to 48.

On the All Bay League team were Mustangs Harry Dinnel, Char Clay and Noel Smith. On the third all Bay League team, Joe Moeller held down the forward spot with Bill Clemo of Redondo.

The C.I.F. playoffs were going along in Mira Costa's favor, winning the first against Oxnard 57 to 54 and overcoming Long Beach Wilson 74 to 65. Then with Micohi scheduled to meet the defending C.I.F. champions, Compton on their home court, the Micohi team lost a real heartbreaker by one point (63-62). The same thing happened last year, during the playoffs, when Micohi lost to Colton (60-61). Noel Smith took top place scoring honors with 22, followed by Moeller with 16, Harry Dinnel 14, Chas Tomblin 6, and Char Clay 4.

This was the last game for graduating seniors, John Kelly, Pete Rhylick, Char Clay, Noel Smith, George Patino, Stan Beard, and Mike Maurry. They played an outstanding season winning 24 of their 28 games. They broke records and played basketball like they never did before. Four of them landed on the All Bay League teams, and Noel Smith was awarded the first string all C.I.F. center position. Mr. Sempert has given to Mira Costa another championship team.

VARSITY WRESTLING

The 1958-59 Mustang team proved itself to be the most successful wrestling team in the history of Mira Costa, winning both the Bay League and the C.I.F. Championship.

This was the fourth consecutive Bay League Championship for the Micohi grapplers. They won six first places, scored one second, two thirds, and two fourths in the twelve weight classes to score 89 points, and win the tournament. The six champs were Sam DeGrace, Steve Jesse, Bruce Cook, Mike Conrad, and Dave Stout; second place went to Tom Brookes, third to LaMarr Maus and Dave Stillwell, and fourth place to Berry Hickman and Ron Gilbert.

In the C.I.F. Tournament this team showed such excellence that even the coaches, Mr. Fernandez and Mr. Wilcox, were surprised. Not only did the team win the much coveted C.I.F. Championship, but it almost doubled the score of the second place team; Kearny of

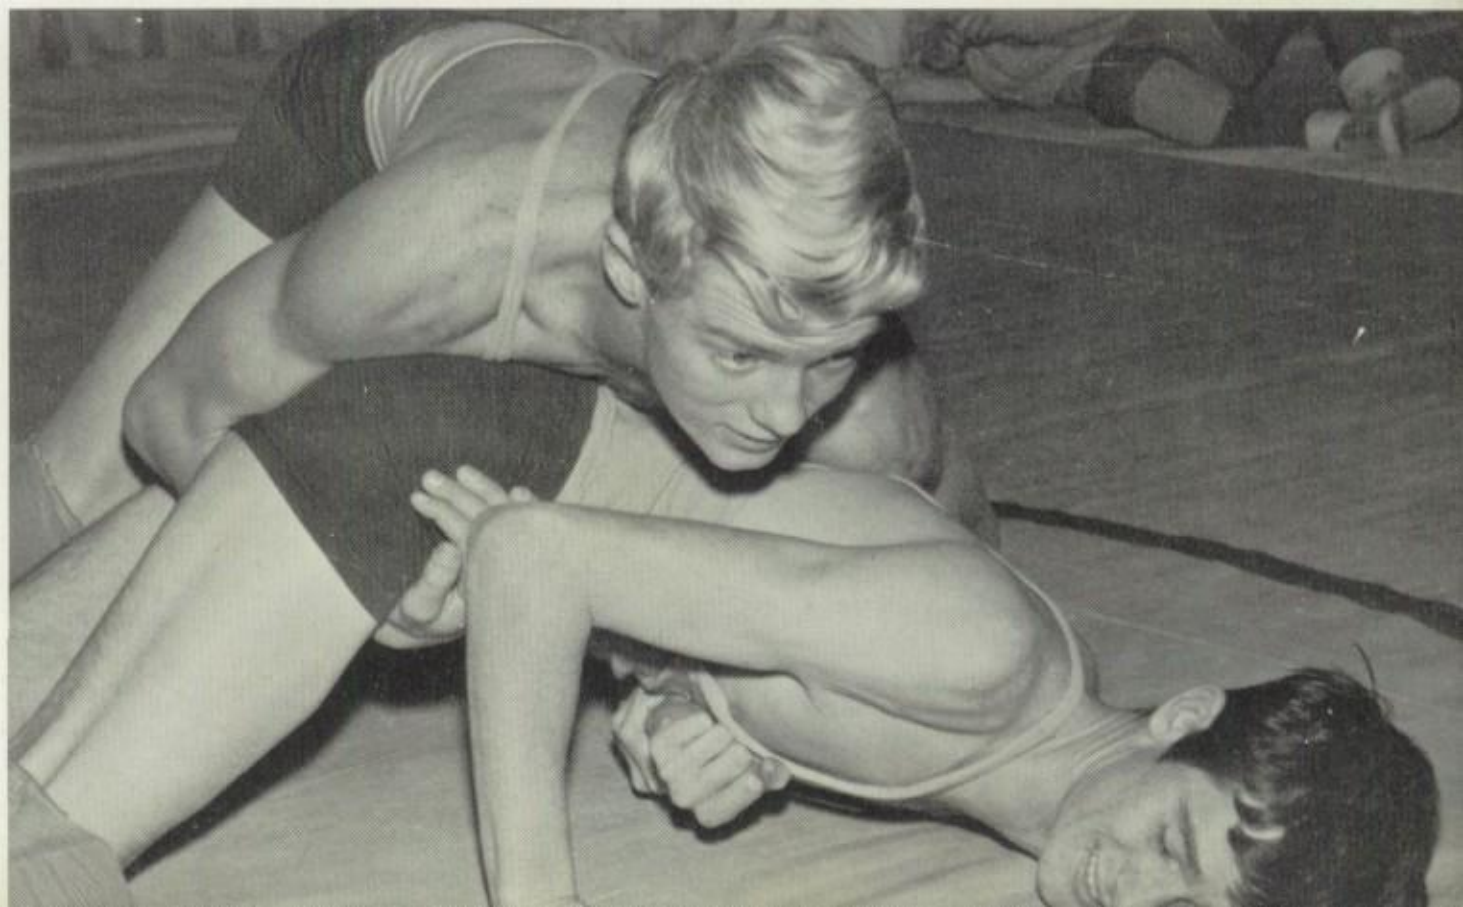

San Diego. The stars of the outstanding C.I.F. efforts were Captain Sam DeGrace, Steve Jesse and Dave Stout, who won individual championships. Mike Conrad and Chuck Johns both won second places and Tom Brookes placed third.

The Mira Costa grapplers were also quite successful during their practice season. They won nine dual matches and lost but two.

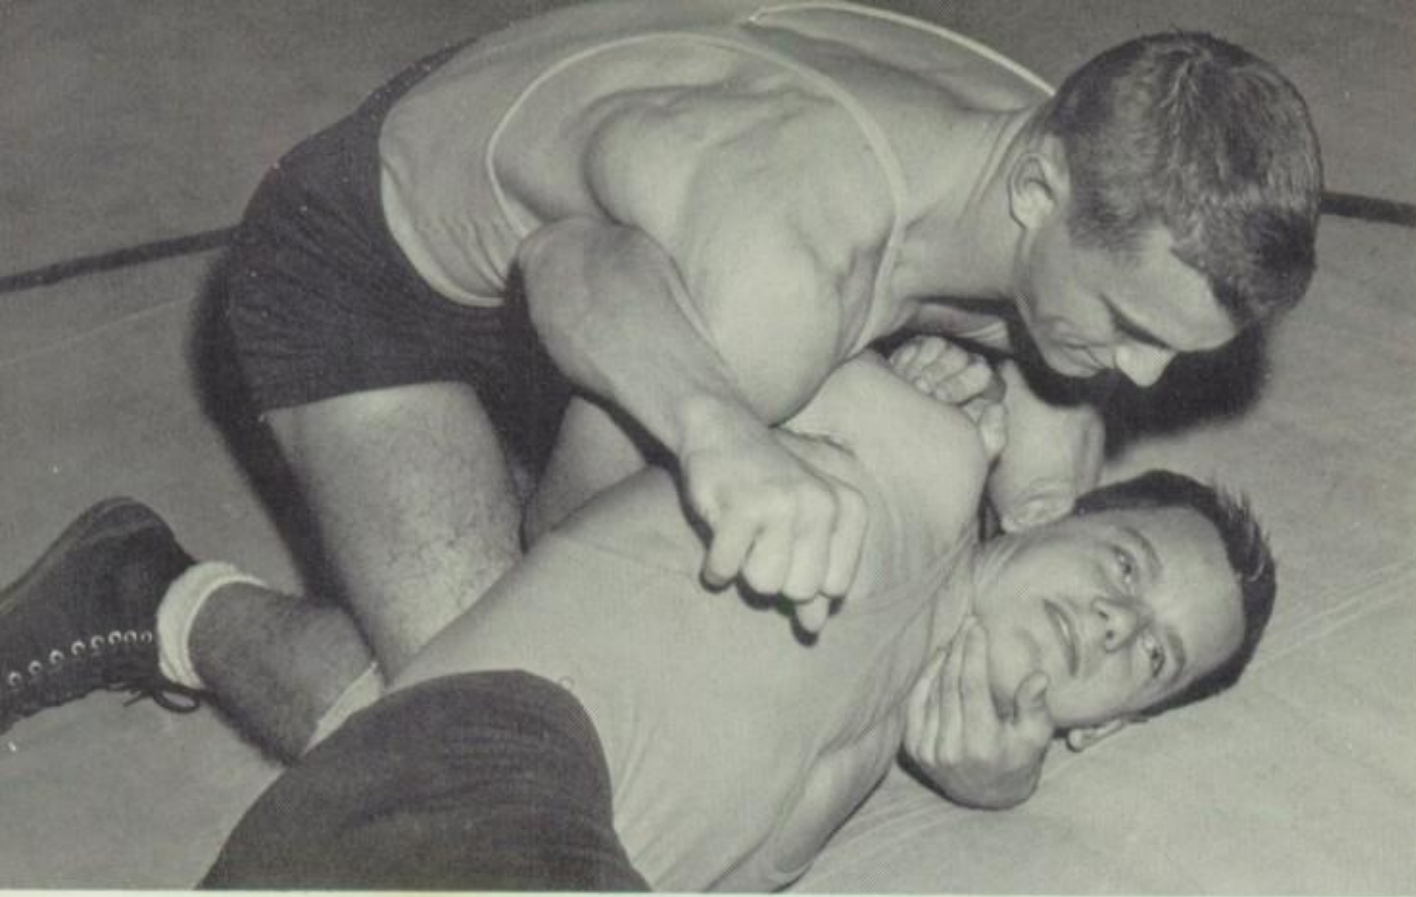

The team trailed Redondo and Morningside by only four points in the El Camino Tournament which was held early in the year.

The Junior Varsity grapplers also proved to be champions. They won ten of their eleven dual meets and won the novice tournament which was held at Inglewood on December 16, 1958.

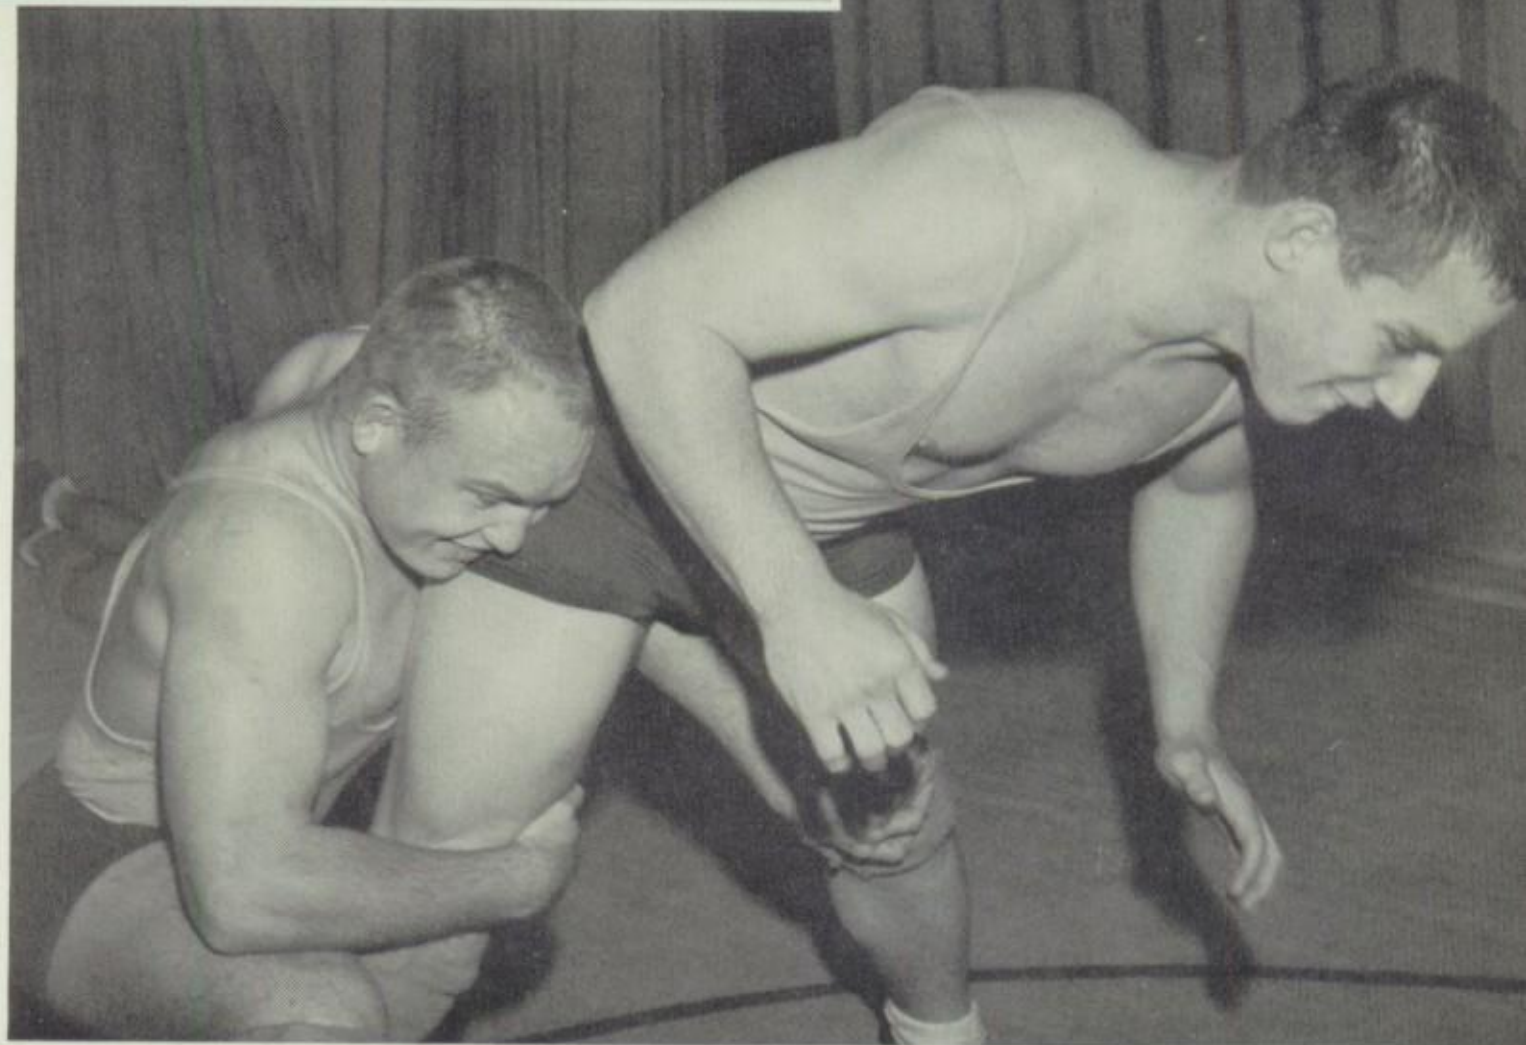

After all is said and done, Mira Costa can be proud of its outstanding wrestling team.

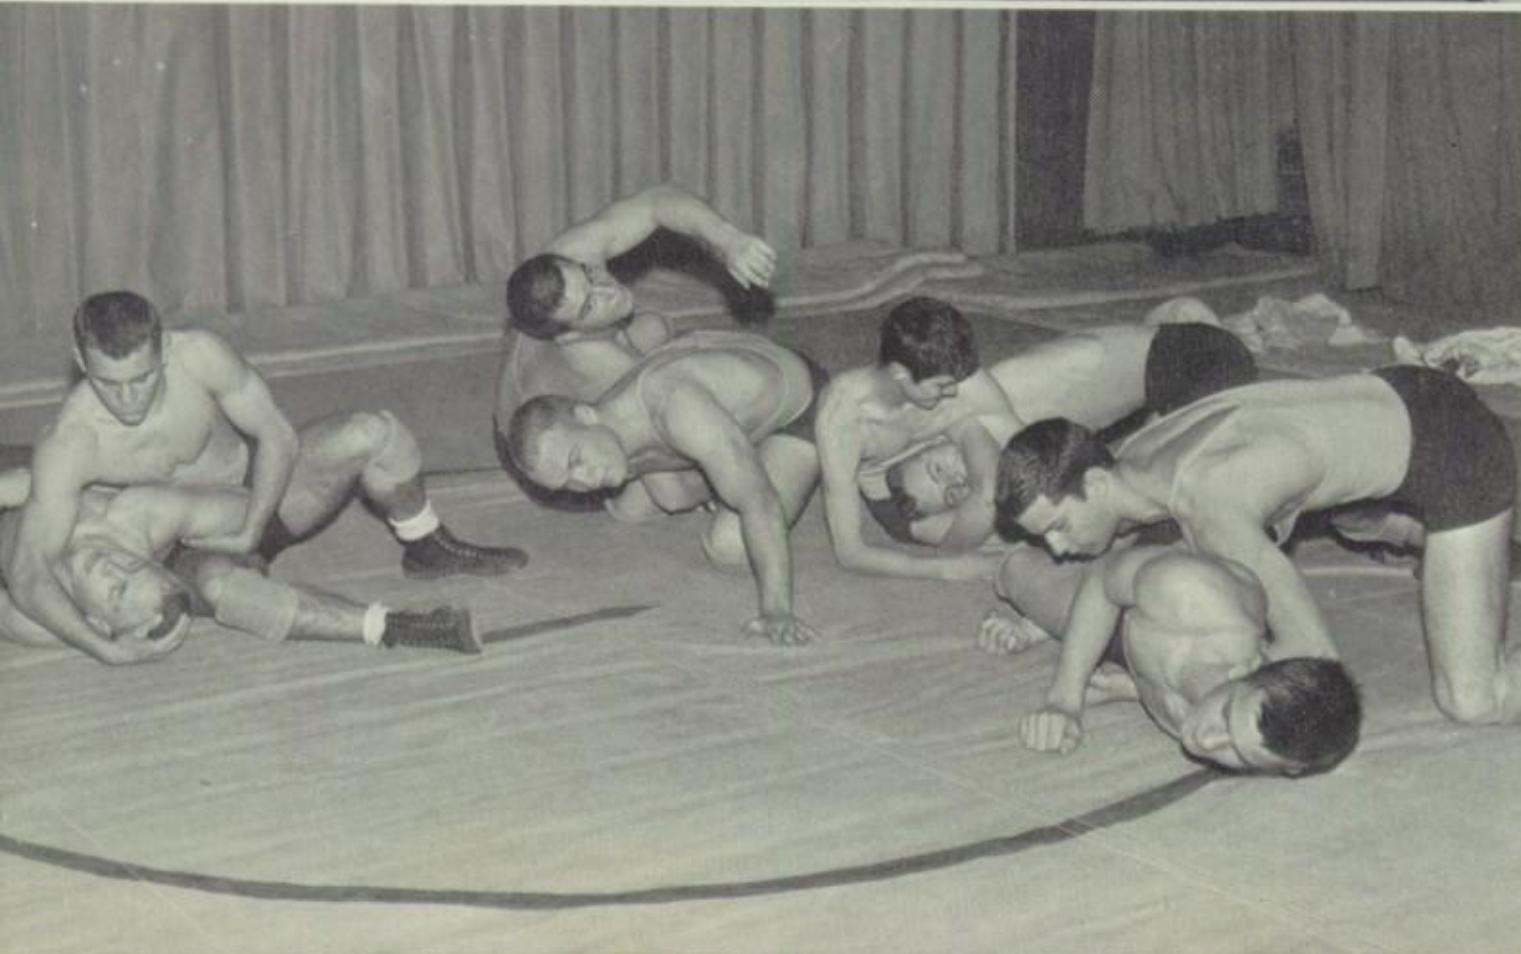

Tom Brookes is using a "Bar-arm and Crotch" ride on Pat O'Hare.

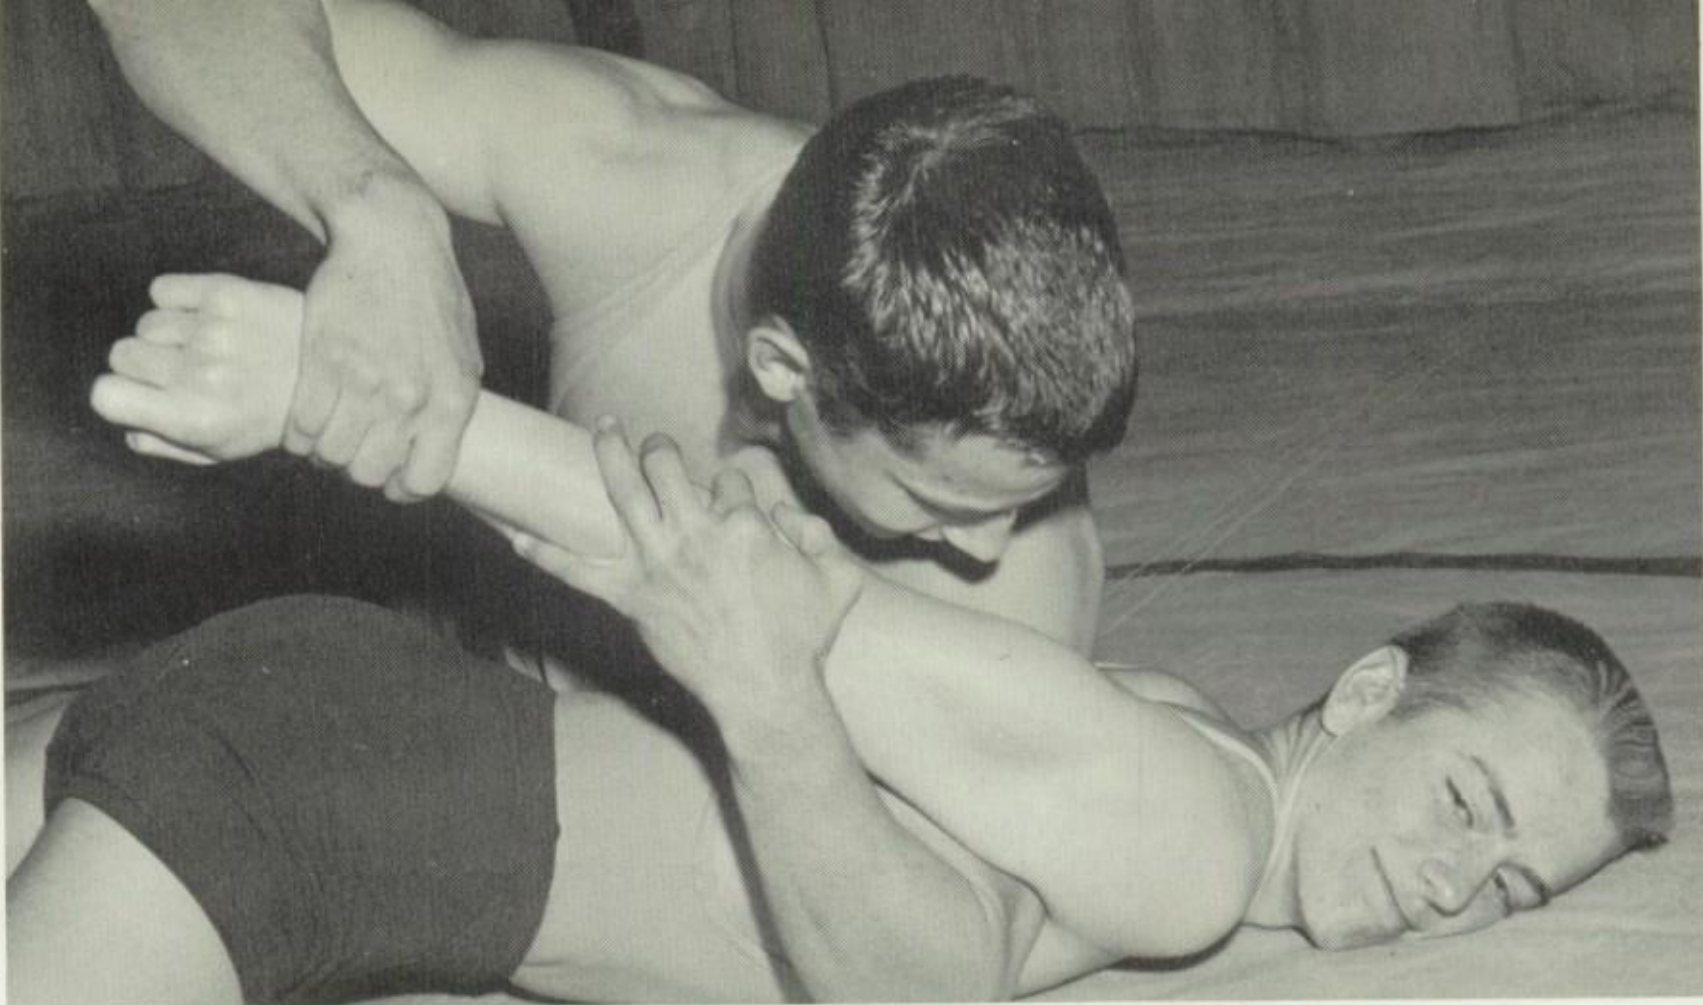

Steve Jesse tries an "overarm-hook" pin combination on Ron Gilbert.

Mike Conrad applies a "single leg trap" on Dave Stout.

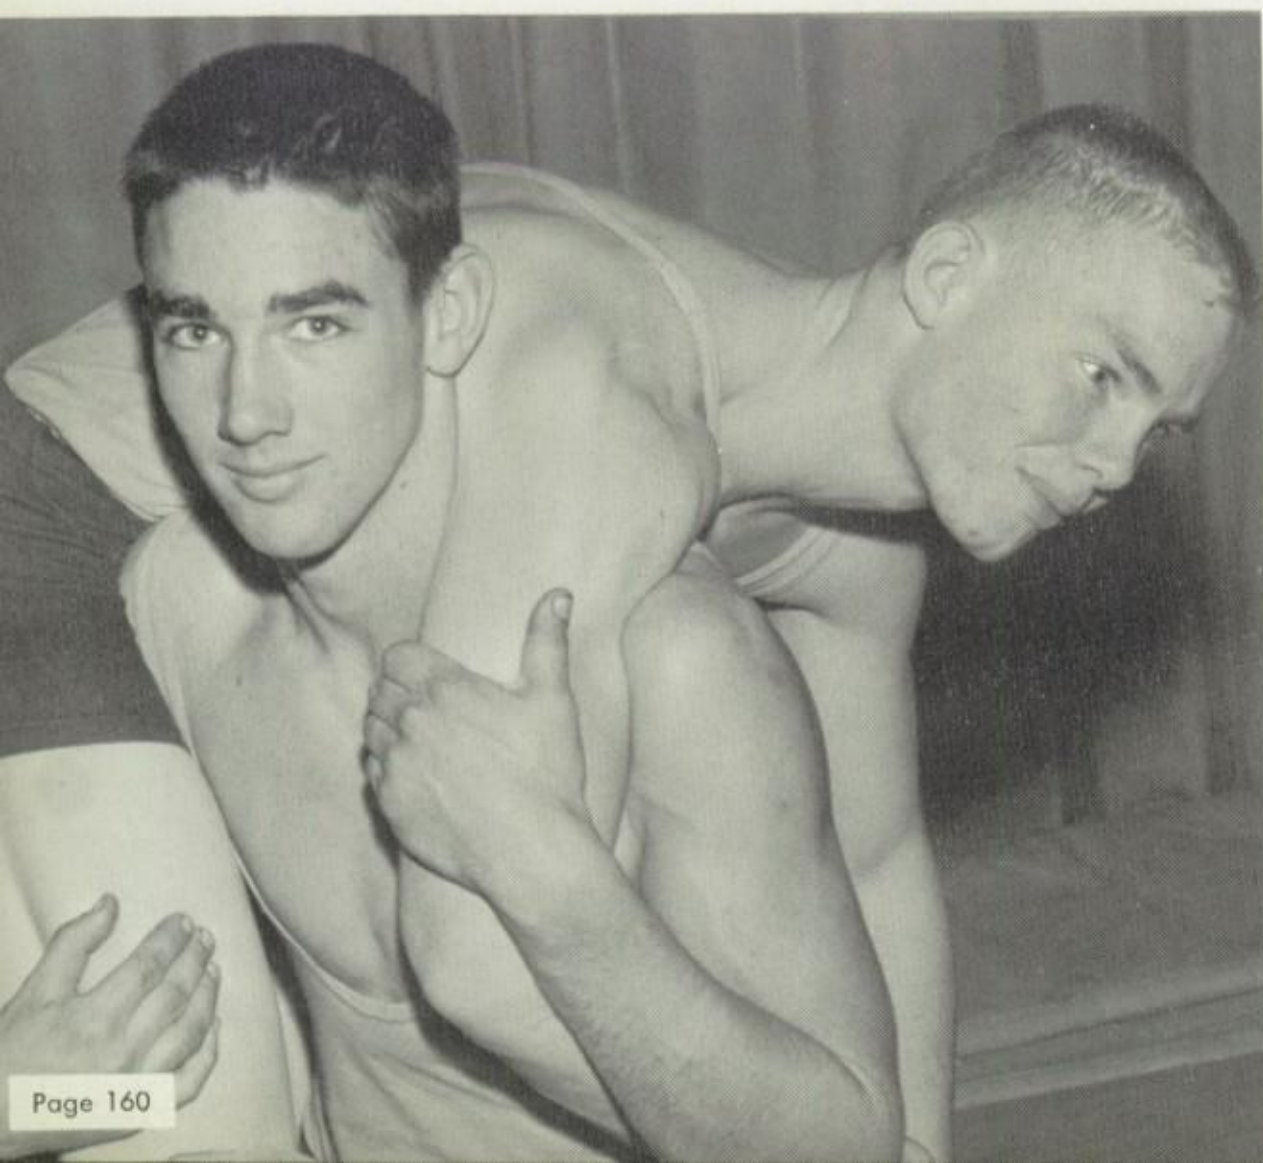

A typical "can of worms" workout is being demonstrated by the varsity.

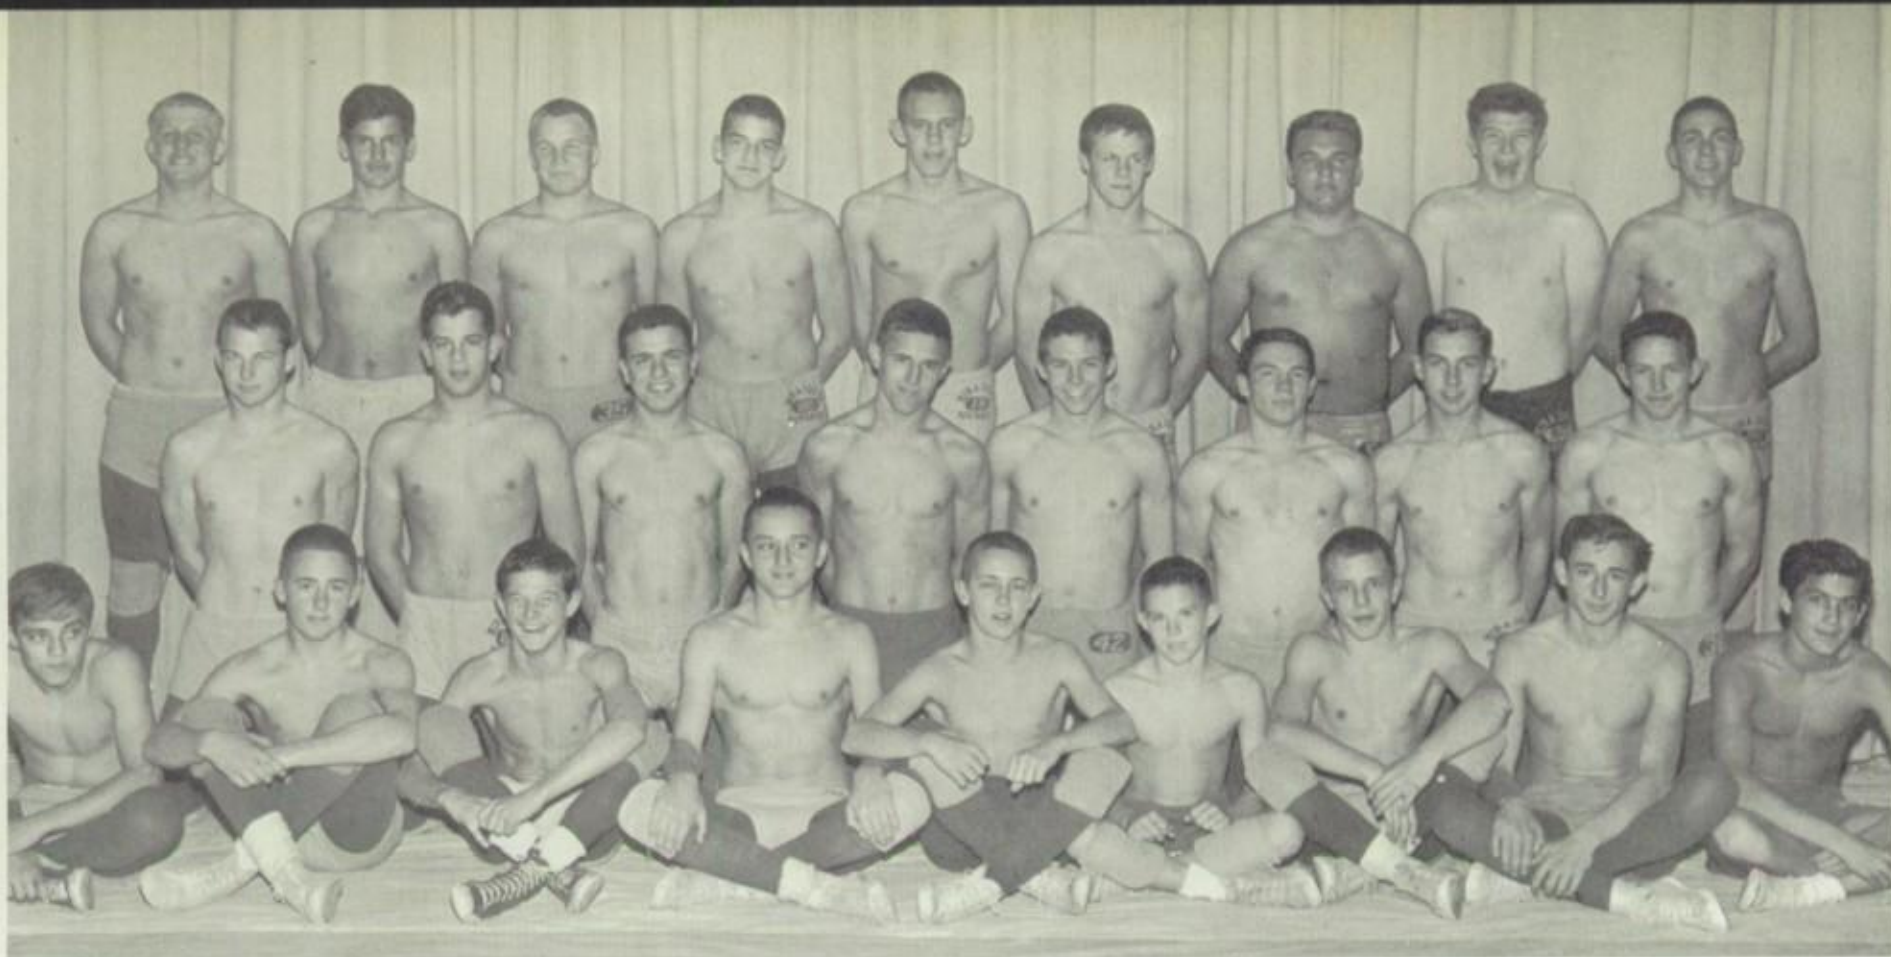

Dave Stillwell is about to apply "la Guillotine," a pinning hold on Berry Hickman.

GIRLS' ATHLETIC ASSOCIATION

Casual interest is displayed by these G.A.A. members in a quiet volleyball game.

GOVERNING BOARD

Spirit, fair play, and the building of well rounded minds and bodies are the objectives of the Mira Costa Girls' Athletic Association. President, Jerry DeChant, led a group of 280 girls with the help of the hard working efficient board. With paper and pen at each board meeting, the secretary, Carolyn Christopher was busily writing down the suggestions of Micky Dunson, Vice President, Phyllis Swan, Recording Secretary and Barbara LeBaron, Treasurer.

Highlighting the beginning of the year was the volleyball tournament and spread. New girls were initiated and became official members of G.A.A. at this spread.

As the year continued, there were activities such as the selling of refreshments at the football games, sportdays and more exciting tournaments between the upper and lower classmen. This year, a new tradition was begun, that of having an annual picnic with Redondo. G.A.A.'ers really enjoyed this outing at Griffith Park with our greatest rival.

The Senior Spread held much suspense as the old board members turned over their position to the newly elected officers. Many girls received awards and chevrons for their outstanding merit to G.A.A. With these awards the girls will remember the motto of G.A.A., "It matters not if you win or lose, but how you play the game."

IN CONCLUSION

Our Stew's complete, it's all prepared,
The forkful, the spoonful, and more,
The boy, the girl, the book, and the class,
The Spanish Stew, of things to do and us.

Like those of Stew, these memories, too,
Will linger on, a savory taste for you
To take again, and make again
From our book, our pot of Spanish Stew.
